## Forum and Discussion Room (Student and Teacher)

Description	Screenshot
<p>Accessing the forum-  To access the forum,  click the “view forum”  button inside the  classroom management  page.</p> <p>In this page, you can  see the discussion  rooms available in the  forum.</p> <p>You can  create/search/access/  delete your own  discussion rooms only.</p>	 

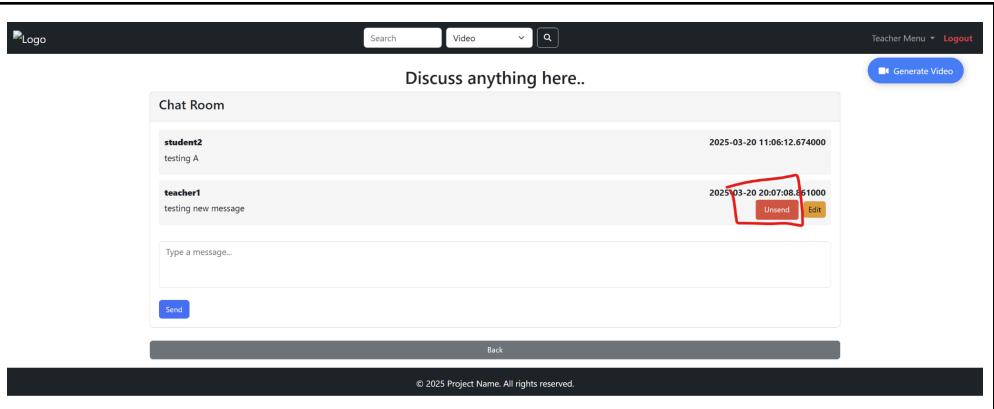

Description	Screenshot
<p>Creating a discussion room- To create a discussion room, fill in the room topic as well as the description of the discussion room. Once decided, click “add room”.</p>	<p><b>Creating a new discussion room</b></p> 
<p>Search a discussion room- To search for a discussion room, type in the topic/name of the discussion room, then click the “search” button</p>	<p><b>Search for a discussion room</b></p> 
<p>Update details of a discussion room- To update or change details of a discussion room, click “edit” button. This will prompt you to change the topic and description of the discussion room.</p>	<p><b>Update details of a discussion room</b></p> 

	
<p><b>Delete a discussion room-</b> To delete a discussion, simply click delete button to one of the discussion rooms. <b>You can only delete the discussion rooms that you have created.</b></p>	
<p><b>Access a discussion room-</b> To access a discussion room, click the “access” button and the application will redirect you to the room’s chatting interface.</p>	

## Discussion Room (Messages)-Student and Teacher

Description	Screenshot
<p><b>Send Message-</b> To send a message inside a discussion room, type in your message and click “send” button.</p>	 <p>The screenshot shows a "Chat Room" interface. At the top, there are search, video, and logout buttons. Below that is a header "Discuss anything here..". The main area shows a message from "student2" with timestamp "2025-03-20 11:06:12.674000". A text input field contains "testing A". A red circle highlights the blue "Send" button below it. At the bottom right of the message area, there are "Unsend" and "Edit" buttons.</p>
<p><b>Edit Message-</b> Click the “edit” button to your message, and type in the new message you want to send. Click “save” once you have confirmed your changes.</p>	 <p>The first part of the screenshot shows a "Chat Room" interface with a message from "teacher1" with timestamp "2025-03-20 20:07:08.861000". The message content is "test". To the right of the message are "Unsend" and "Edit" buttons, with "Edit" highlighted by a red circle.</p> <p>The second part shows the message content changed to "testing new message". The "Save" button is highlighted by a red circle at the bottom left of the message input area. The "Cancel" button is also visible. The timestamp remains the same: "2025-03-20 20:07:08.861000".</p>

Delete Message- To delete a message, click “delete” button to one of your sent messages.

## Guest-Exclusive Features

Description	Screenshot
Guest landing page	 <p>The screenshot shows the VideoVibes homepage. At the top, there's a navigation bar with a logo, search, video selection, and login/register buttons. Below the header, a message says "Welcome to the Homepage". There are two video thumbnails: one for "video 1" and another for "tutorial video", both uploaded by "test01". Below the videos, there's a section for "Avatars" featuring a placeholder profile picture with the text "Uploaded by: test01". At the bottom, a copyright notice reads "© 2025 Project Name. All rights reserved."</p>
Guest register page- To register an account, fill in all the registration details and click create account button.  To login as a registered user, type in the same username and password used for registration	 <p>The screenshot shows the "Create an Account" form. It includes fields for Username, Email, First Name, Last Name, Date of Birth (with a date picker), Password, and Confirm Password. A large blue "Create Account" button is at the bottom.</p>

## Search Results

Avatars

Face 1

© 2025 Project Name. All rights reserved.

**Guest Video Page-**  
Guests can search videos by typing the video title and setting the search criteria as video

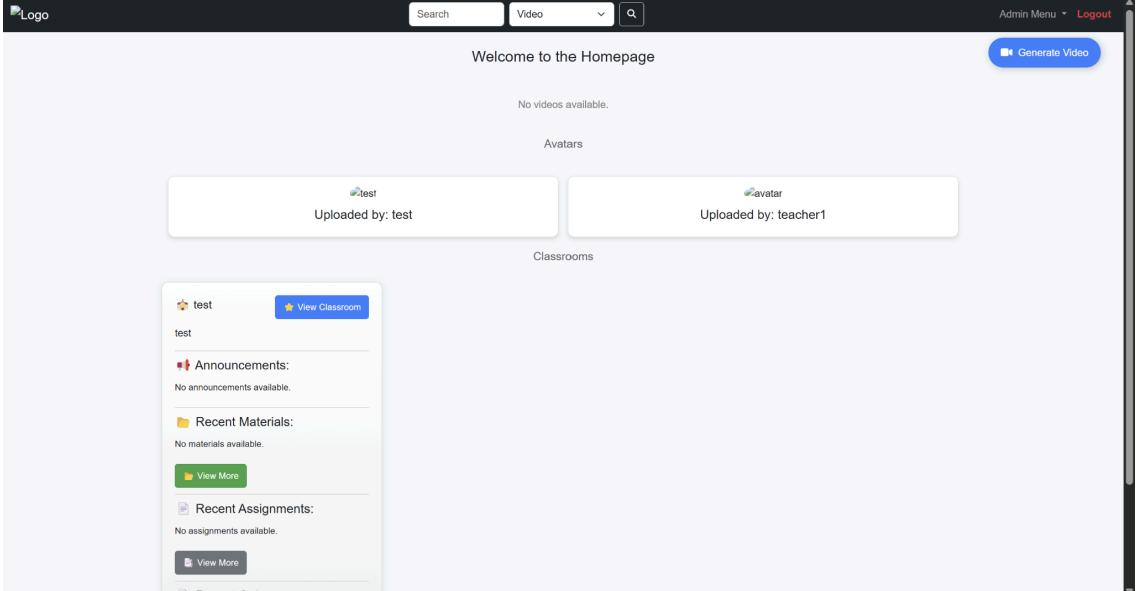

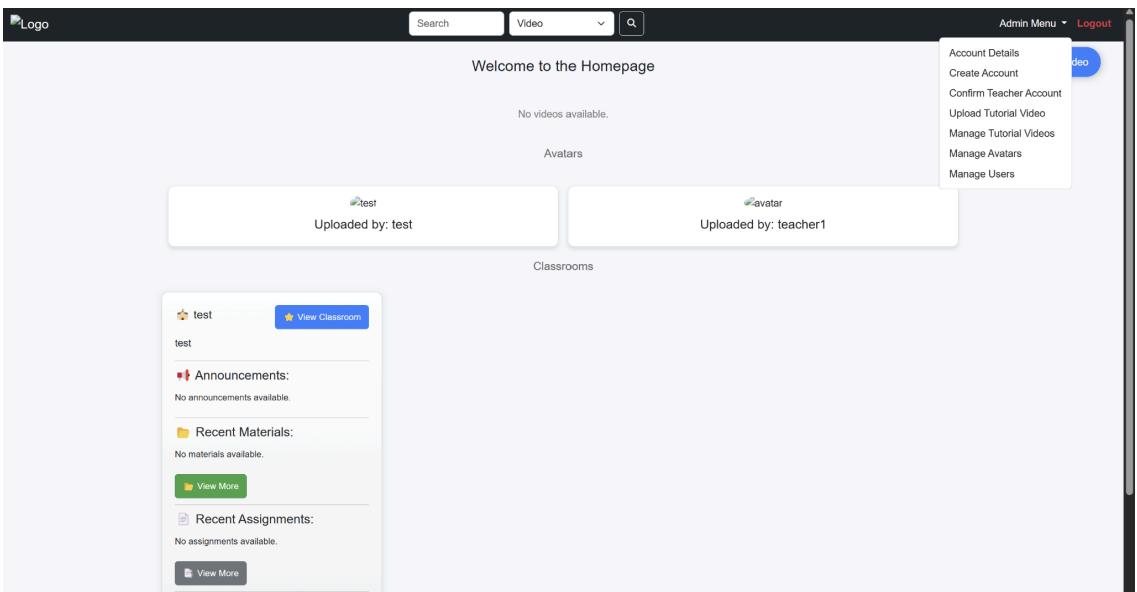

The screenshot shows a search interface with a dark header bar containing a logo, a search input field, a dropdown menu set to 'Video', and a magnifying glass icon. To the right are 'Login' and 'Register' buttons. Below the header, the text 'Search Results' and 'Tutorial Videos' is displayed. A video player window is shown with the title 'Welcome to VideoVibes', a progress bar at 0:00 / 0:26, and a play button. Below the video player, the video details are listed: Name: tutorial video, Description: video 2, Uploaded By: test01. At the bottom of the page is a black footer bar with the text '© 2025 Project Name. All rights reserved.'

**Guest Generate Video Page-**  
To generate a video, type a text and click generate voice to generate a script for the avatar.

Then, select a face (avatar) in the menu. Afterwards, the video will be generated, but it cannot be saved.

The screenshot shows a form titled 'Create Animated Video'. It includes a text input field labeled 'Enter Text for Animation:' with a placeholder 'Type your text here...', a yellow 'Generate Voice' button, and a section labeled 'Select an Avatar:' featuring a small circular preview of a person's face and the text 'Avatar Name: Face 1'. At the bottom is a large blue 'Generate Video' button. A black footer bar at the bottom contains the text '© 2025 Project Name. All rights reserved.'

# Admin-Exclusive Features

Description	Screenshot
Admin landing page	 

Create Account Page- As an admin, fill in the user details for the new user.

A role can be assigned to the new user itself.

## Create a New User

Select Role

## User Management

Description	Screenshot
<p>Manage Users- To manage other users in the webpage, click manage users from the dropdown menu.</p>	 <p>The screenshot shows the SIM Global Education homepage. At the top right, there is an 'Admin Menu' button with a dropdown menu. The 'Manage Users' option in this menu is circled in red. The main content area displays a video player for a file named 'test' uploaded by 'test', followed by sections for 'Avatars' and 'Classrooms'.</p>

**Manage User Page-**  
The admin can search, suspend or delete user account in the account management page.

To search, simply type the username or email of the user and click the search button. Results will be displayed at the next page.

To suspend, click the suspend button at one of the users, this will prevent the user from logging in.

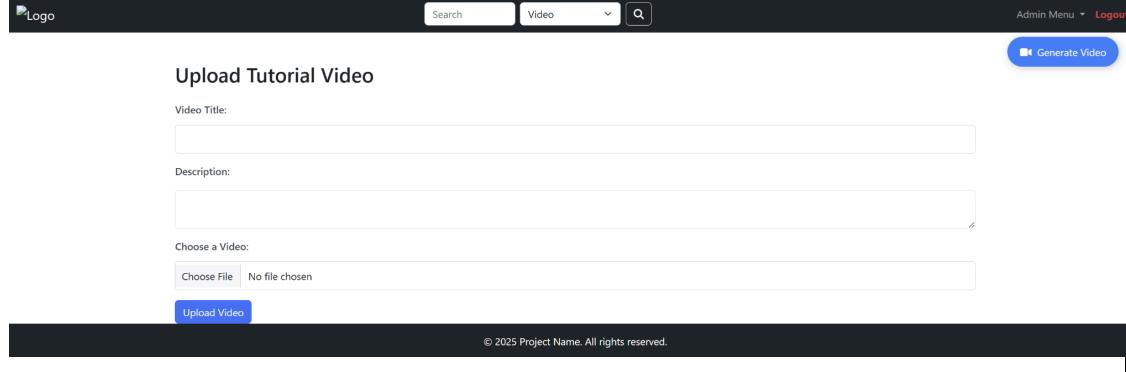

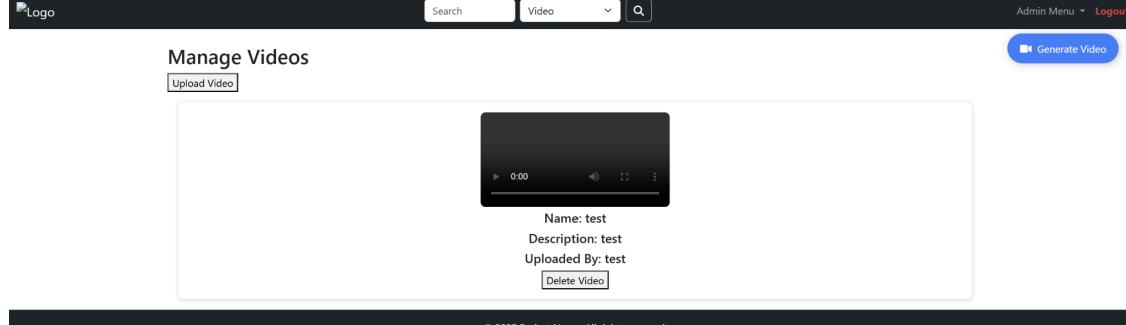

To delete an account, click delete button to one of the users.

The screenshot shows a user management interface titled "Manage Users". At the top, there is a search bar labeled "Search" with a magnifying glass icon. Below the search bar is a table with columns: Username, Email, Role, Status, and Actions. The table contains five rows of data:

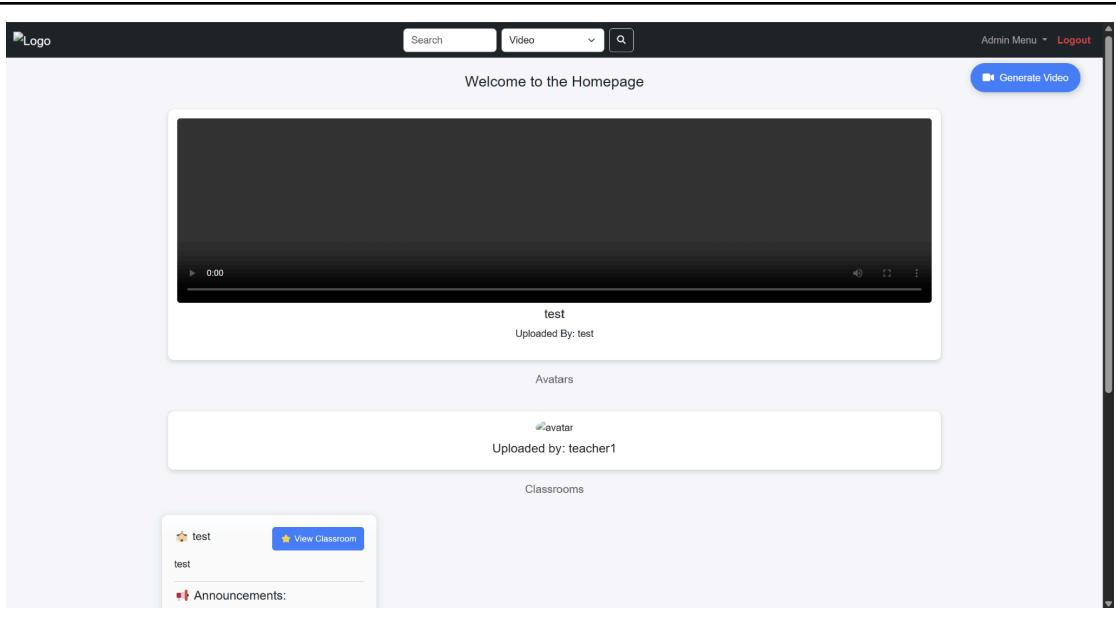

Username	Email	Role	Status	Actions
test	test@mail.com	Admin	active	<span>Suspend</span> <span>Delete</span>
teacher1	teacher@mail.com	Teacher	active	<span>Suspend</span> <span>Delete</span>
teacher2	teacher@mail.com	Teacher	active	<span>Suspend</span> <span>Delete</span>
student1	student@mail.com	Student	active	<span>Suspend</span> <span>Delete</span>
student2	student2@mail.com	Student	active	<span>Suspend</span> <span>Delete</span>

Red annotations are present: "Search" is circled above the search bar; "Suspend" and "Delete" are circled in red boxes over the corresponding buttons in the Actions column for the first three users.

## Tutorial Management

Description	Screenshot
Upload tutorial page- fill in the tutorial title and description, and then upload a valid mp4 file to upload a tutorial video	
Tutorial Management Page- This page allow admins to watch tutorial videos, upload new ones and delete tutorial videos	

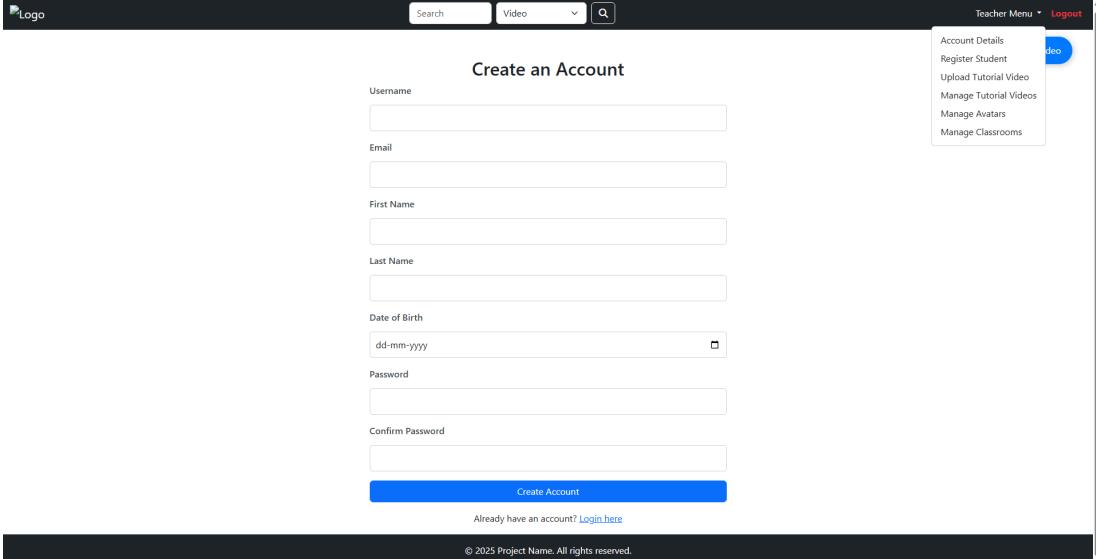

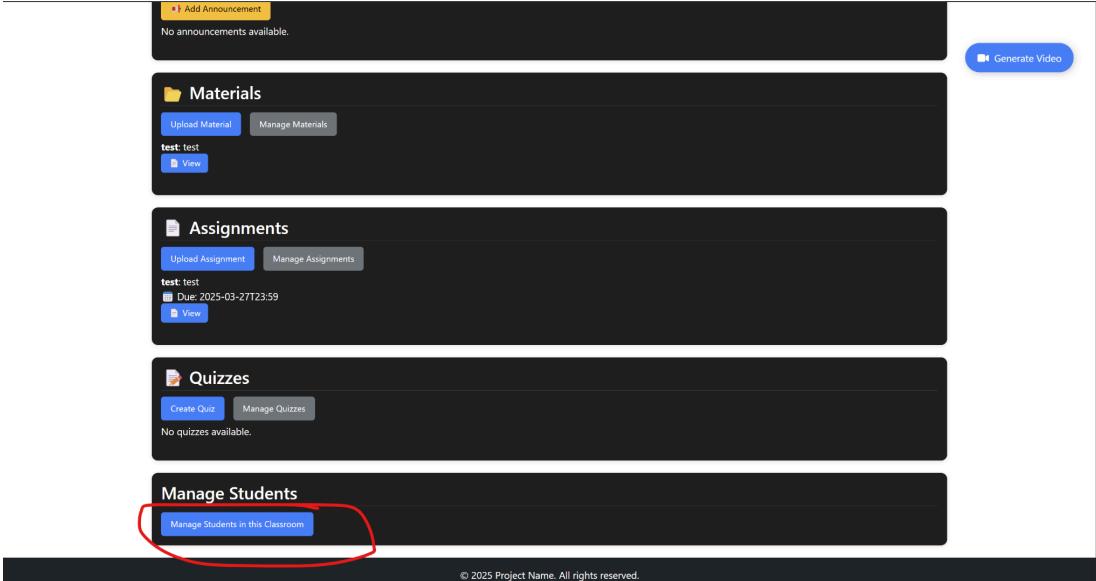

Search  
Tutorial- To search for tutorial videos, type in the title of the tutorial video, then select video as the search filter and click search

The screenshot shows the homepage of the SIM Global Education platform. At the top, there is a navigation bar with a logo, a search bar, and a dropdown menu for 'Video'. On the right side of the header are 'Admin Menu' and 'Logout' buttons. Below the header, the main content area is titled 'Welcome to the Homepage'. It features three main sections: 1) A video player interface with a dark video frame, a progress bar at 0:00, and a play button. Below it, the word 'test' is displayed with the note 'Uploaded By: test'. 2) An 'Avatars' section showing a placeholder 'Avatar' with the note 'Uploaded by: teacher1'. 3) A 'Classrooms' section showing a classroom entry for 'test' with a 'View Classroom' button. Below this, there is a link for 'Announcements'.
